
Where do South Africans live in London?

Posted by ryan - 2007/10/24 21:59

Coming to London and what to stay in the vicinity of me fellow South Africans?

Thanks

Hi Ryan,

Most South African stay in Southfields (SW London), Wimbledon (SW London), Leytonstone (East London) and Walthamstow.(East London).

I would recommend Southfields / Wimbledon as this area is very green and suits South Africans as it isnt dreary as other parts of London.

Other good areas - Putney / Hammersmith / Colliers Wood / Rayners Park.
